- The strategy for the grants is to move the continuations (Alpha Legal Foundation, White Pine, and Main Street Skowhegan) forward, funded at the maximum Cost per MSY for the requested number of MSY's.
- We will fund Goodwill for \$484,960, they are required to reduce their grant amount to \$25,200 per MSY. Their MSY will be no more than 19.29. This can be met by reducing current budget by 1 Full-time position OR 5 Minimum-time positions OR any other combination of slot types not exceeding the 19.24 MSY limit.
- Approval of the motion to thank the peer reviewers by name: Dr. Tiffany North, Anne Louise-Rice and Ben Levek
- Approval Formal motion to empower the staff to transition and submit the continuation applications to new applications.
