Volunteer Maine seeks Governor's Awards nominations

Share [Facebook](#) [Twitter](#) [LinkedIn](#) [Email](#)

AUGUSTA — Volunteer Maine, the Maine Commission for Community Service, seeks nominations for all categories of the 36th annual Governor's Awards for Service and Volunteerism.

Nominations are scheduled to close at 5 p.m. Friday, March 18, according to a news release from Volunteer Maine.

Since 1987, the awards have celebrated and recognized the role of citizens volunteers in the success and vitality of Maine communities. At the same time, the awards seek to inspire others to be active in civic life and follow in the footsteps of those recognized. The awards program is managed by the Governor's Office by Volunteer Maine.

Recipients of competitive awards for individuals, teams and organizations — as well as those named to the Maine Volunteer Roll of Honor — will be celebrated during a virtual ceremony at the end of April, the specific date of which is to be announced.

Among other forms of recognition, Roll of Honor recipients will be recognized during the Portland Sea Dog's annual Volunteer Appreciation Game, scheduled for April 20 at Hadlock Field in Portland.

Since 1985, the annual observance of Dr. Martin Luther King, Jr.'s birthday has been a National Day of Service. Promoted as "A Day On" not "A Day Off," it is an important time for Mainers and all Americans to take action in response to the most persistent and urgent question: "What are you doing for others?"

This year, AmeriCorps members and volunteers throughout Maine set out to continue this long-standing tradition of providing service to others while honoring Dr. King's legacy.

AmeriCorps Nine-to-Ninety Five

The AmeriCorps Nine-to-Ninety Five team chose to begin an ongoing project that exemplifies the concern Dr. King evidenced for all marginalized people.

In honor of MLK Day, members began developing a senior-oriented newsletter. The newsletter will include recent news from the Van Buren, Maine community, snapshots of town history, interviews with seniors at community sites, service opportunities, and a way for community members to submit their own content and opinion pieces.

The newsletter will be written in both English and French. It will be distributed at locations frequented by the senior community, such as the Borderline and LaParade Heights housing complexes in Fort Fairfield and Van Buren, respectively.

The AmeriCorps program envisions opportunities to collaborate with a translator, nursing home activity coordinators, senior housing directors, the Maine on Wheels coordinator, the town manager and the food pantry director, among others.

AmeriCorps Nine-to-Ninety Five is sponsored by the Town of Van Buren, Maine and the Van Buren Resiliency Project.
